

Pest practice — hang at 25–35 yards, 5 shots, score 20 pts max.

**Score: #1 HEAD = 4 pts · #2 HEART/LUNG = 3 pts · Max 5 shots = 20 points**

Print at 100% scale (NOT fit-to-page) — bullseye + ring diameters are realistic.

How to use: Print at 100% scale. Hang at 25 to 35 yards — typical pest distance for ground squirrels and groundhogs. Shoot 5 shots, aiming for the white bullseyes. Score each hit by the zone it lands in.
