

CHEAT SHEET · CLASS & AMMO

Which class is it?

Every animal in theHunter: Call of the Wild by class. Pick ammo whose class range includes the animal's class.

HUNT AND LIVE

ANIMALS BY CLASS (128 SPECIES)

1 — **Small game & birds** · 44 species

Grizzly Bear · Moose · Saltwater Crocodile

9 — **Biggest & most dangerous** · 9 species

Banteng · Bengal Tiger · Cape Buffalo · European Bison · Lion · Plains Bison · Water Buffalo · Wild Yak · Wood Bison

The one rule: the *ammo* sets the class range, not the gun. Ammo inside the range gives the cleanest kill and full trophy score. Ammo **below** the animal's class risks wounding. Ammo far **above** it ruins meat and trophy.
